\*All records are in the Rod & Reel Category unless otherwise noted.

## New Records for 2005

In order to qualify for a Maine State Saltwater Record there are certain rules and requirements that must be followed. If you think that you may have landed a potential state record fish there are two ways to apply. Either call the DMR at 207-633-9500 and ask for a Maine State Saltwater Fishing Record application or the rules and application can be found on our website:
